

KingMaker[®]

Universe

The image shows the entrance to King Maker Universe at night. A large, illuminated sign with the text "King Maker" in a bold, stylized font and "Universe" in a smaller font below it is mounted on a white overhang. The sign is flanked by brick pillars. In the foreground, there is a black metal gate with horizontal slats. A paved walkway leads from the gate towards the entrance, lined with a series of small, warm-toned lights. The background features a row of palm trees and a dark sky with some light trails.
